NOTES

Terms and Conditions

PRE-ENROLMENT INFORMATION

To help students make an informed enrolment decision before enrolling in a qualification with Australia Institute of Business & Technology - International (AIBT-I), students are required to attend a pre-enrolment consultation session provided by either an authorised AIBT-I Education Agent and/or a AIBT-I staff representative from the college.

During this Pre-Enrolment Consultation session, students will be provided with a comprehensive range of transparent, accurate, and complete information relevant to their intended course of study. This information is provided prior to completing and signing the Enrolment Application to guide students in making a formal decision that will reflect their existing skills and competencies and meet their needs.

Before signing any documents, students will be provided with a Pre-Enrolment Consultation Checklist. This checklist ensures that students have a clear understanding of their intended course of study, the support services offered by the college, and their obligations as international students. They must acknowledge that they have a clear understanding of their intended course of study before proceeding. This information includes, but is not limited to:

- Intake dates
- The VET and CRICOS information of the college
- Entry requirements on training.gov.au and our website (i.e., academic requirements, mode of delivery, language proficiency requirements, employment requirements, financial requirements, etc.)
- Course information on training.gov.au and our website (i.e., fees, duration, delivery mode, location, equipment, unpaid work placement, practical training locations if applicable, and other arrangements related to your application)
- Information about training and assessment
- Policies and procedures on course progress/attendance, assessment, and student conduct rules, etc.
- Information about the support services available to students in the college

A Pre-Enrolment Consultation session is provided to a prospective student one or more times to give the student additional time and/or information to make an informed decision. In addition, the communication channels used for conducting Pre-Enrolment Consultation sessions can be various, such as face-to-face, video conference, telephone call, or email.

The college will only confirm the intake of a qualification when it meets the minimum number of applications. Students will receive a Letter of Offer in the proposed intake when the minimum number of applications is met. If the minimum number of applications is not met, a student will be advised of the following proposed intake.

International students should ensure that they have read the Pre-Enrolment Consultation Checklist and Handout available on our website: **www.aibti.edu.au**

ENTRY REQUIREMENTS

Students who do not meet the entry requirement may sit the College Entry Exam. A non-refundable fee applies. Please contact the college for the current exam fee.

For more detailed course information, including Entry Requirements and Pre-requisites, please refer to the individual course on **www.training.gov.au** and the individual course page for each qualification on our website: **www.aibti.edu.au**

ENGLISH ENTRY REQUIREMENTS

There is a minimum IELTS (or equivalent) requirement.
For more information, please email student support: **studentsupport@aibti.edu.au**

OSHC FEE

ONLINE STUDY

At the commencement of each qualification, some units may be initially conducted face to face virtual delivery mode to provide students time to adapt to their new study program.

The college does not exclusively use an online mode to deliver training products. In accordance with sections 8.18-8.20 of the National Code of Practice for Providers of Education and Training to Overseas Students 2018:

- The college will not deliver a course exclusively through online learning[1] to an overseas student.
- The college will not deliver more than one-third of the units (or equivalent) of any course by online learning to an overseas student.
- The college will ensure that in each compulsory study period for a course, the overseas student is studying at least one unit that is not by online learning, unless the student is completing the last unit of their course.

[1] Online learning is study where the teacher and overseas student primarily communicate through digital media, technology-based tools and IT networks and does not require the overseas student to attend scheduled classes or maintain contact hours.
