NATIONALLY RECOGNISED TRAINING

At AIBT-I, we are proudly registered with the Australian Skills Quality Authority (ASQA). We deliver nationally recognised Australian qualifications that are accredited with ASQA and governed under the Vocational Education and Training (VET) Quality Framework. This guarantees that the qualifications you earn from us are widely recognised by industry organisations and other education providers throughout Australia and worldwide.

Welcome to AIBT-I, your gateway to educational excellence in Australia.

Embark on a path that empowers you with the hands-on training necessary to realise your career aspirations. We extend a warm invitation to embark on this transformative journey with us and transform your international study dreams into a tangible reality.

Established in 2017, Australia Institute of Business & Technology - International Pty Ltd (AIBT-I) stands at the forefront as a premier provider of vocational education and training in Australia, having recruited almost 3,000 international students from over 50 countries worldwide.

Our team of experienced trainers have active industry networks and real-world skills to ensure all students receive the highest quality of industry-relevant education and practical training.

With state-of-the-art campuses strategically located in Brisbane and Sydney, AIBT-I offers the utmost in vocational education, equipping students with the skills they need to step confidently into the job market. Our facilities are fully equipped to help students gain practical and employable skills aligned with current industry standards that are highly valued by employers.

AIBT-I takes immense pride in delivering world-class support to international students throughout their educational journey. Our comprehensive student support services are designed to guide and assist students from the moment they arrive in Australia. From orientation to helping them seamlessly adapt to the Australian lifestyle, addressing any inquiries about our study programs, to supporting them as they transition into their future studies and careers, we've got you covered every step of the way.

Terms and Conditions

PRE-ENROLMENT INFORMATION

To help students make an informed enrolment decision before enrolling in a qualification with Australia Institute of Business & Technology - International (AIBT-I), students are required to attend a pre-enrolment consultation session provided by either an authorised AIBT-I Education Agent and/or a AIBT-I staff representative from the college.

During this Pre-Enrolment Consultation session, students will be provided with a comprehensive range of transparent, accurate, and complete information relevant to their intended course of study. This information is provided prior to completing and signing the Enrolment Application to guide students in making a formal decision that will reflect their existing skills and competencies and meet their needs.

Before signing any documents, students will be provided with a Pre-Enrolment Consultation Checklist. This checklist ensures that students have a clear understanding of their intended course of study, the support services offered by the college, and their obligations as international students. They must acknowledge that they have a clear understanding of their intended course of study before proceeding. This information includes, but is not limited to:

- Intake dates
- The VET and CRICOS information of the college
- Entry requirements on training.gov.au and our website (i.e., academic requirements, mode of delivery, language proficiency requirements, employment requirements, financial requirements, etc.)
- Course information on training.gov.au and our website (i.e., fees, duration, delivery mode, location, equipment, unpaid work placement, practical training locations if applicable, and other arrangements related to your application)
- Information about training and assessment
- Policies and procedures on course progress/attendance, assessment, and student conduct rules, etc.
- Information about the support services available to students in the college

A Pre-Enrolment Consultation session is provided to a prospective student one or more times to give the student additional time and/or information to make an informed decision. In addition, the communication channels used for conducting Pre-Enrolment Consultation sessions can be various, such as face-to-face, video conference, telephone call, or email.

The college will only confirm the intake of a qualification when it meets the minimum number of applications. Students will receive a Letter of Offer in the proposed intake when the minimum number of applications is met. If the minimum number of applications is not met, a student will be advised of the following proposed intake.

International students should ensure that they have read the Pre-Enrolment Consultation Checklist and Handout available on our website: www.aibti.edu.au

ENTRY REQUIREMENTS

For more detailed course information, including Entry Requirements and Pre-requisites, please refer to the individual course on www.training.gov.au and the individual course page for each qualification on our website: www.aibti.edu.au

ONLINE STUDY

At the commencement of each qualification, some units may be initially conducted face to face virtual delivery mode to provide students time to adapt to their new study program.

The college does not exclusively use an online mode to deliver training products. In accordance with sections 8.18-8.20 of the National Code of Practice for Providers of Education and Training to Overseas Students 2018:

- The college will not deliver a course exclusively through online learning^[1] to an overseas student.
- The college will not deliver more than one-third of the units (or equivalent) of any course by online learning to an overseas student.
- The college will ensure that in each compulsory study period for a course, the overseas student is studying at least one unit that is not by online learning, unless the student is completing the last unit of their course.

^[1] Online learning is study where the teacher and overseas student primarily communicate through digital media, technology-based tools and IT networks and does not require the overseas student to attend scheduled classes or maintain contact hours.

STUDENT EQUIPMENT REQUIRED

Students MUST have the following IT equipment prior to enrolling with AIBT-I and will require a suitable study space for self-study, assessment activities, or to participate in face-to-face virtual classes.
